ENJOY

The diagram consists of two hand-drawn, curved lines in blue ink. The upper curve starts at the top left, goes down and to the right, and then curves back up and to the right. The lower curve starts further down and to the left, following a similar path but lower down. The word 'ENJOY' is written in blue ink between the two curves, and the word 'HAPPY' is written further to the right, also between the curves. The lines are somewhat irregular, suggesting they were drawn by hand.
